**COVID Vaccines Are Available for All Adults and Anyone Over the Age of 12  
Tyler, Texas (Wednesday, May 19<sup>th</sup>, 2021)**

Persons over the age of 18 can receive the one-dose J & J vaccine or the two-dose Pfizer vaccine while eligibility to receive the two-dose Pfizer vaccine is expanded to anyone over the age of 12.

“Everyone is asked to first make an appointment by visiting [NETHealthCOVID19.org](https://NETHealthCOVID19.org) and selecting the “Get Vaccinated” link,” says George Roberts, NET Health CEO. “You can then select an available appointment time to receive a COVID vaccine.”

Kids and teens preparing to attend summer camps and any summertime activities that require proof of COVID vaccination are welcome to begin their two-dose Pfizer vaccine series at the NET Health COVID vaccine clinics being held within the Harvey Hall Convention Center in Tyler and at any of our COVID vaccination clinics being operated in multiple East Texas cities.

Anyone under the age of 18 must be accompanied by their parent or guardian when coming to any of our NET Health COVID vaccination clinics. If a child has health insurance such as Medicaid or is listed as a dependent on their parent’s health insurance, we ask that you bring the health insurance card on the day of the vaccine appointment.

Persons without internet access can make an appointment by contacting our COVID Call Center at (903) 617 – 6404, Mondays through Fridays between the hours of 9:00 a.m. and 4:00 p.m.

At all of our vaccine clinic locations, appointments are recommended but are not required.

There is no fee and no associated costs to receive the COVID vaccine.

COVID vaccine clinics are available in the following rural East Texas cities this week:

- May 21<sup>st</sup> at the [Coffee City Community Center from 10:00 a.m. - 3:00 p.m.](#)
- May 21<sup>st</sup> at the [Wills Point Chamber of Commerce from 10:00 a.m. - 3:00 p.m.](#)
